Plan Sheets of Farmers for '44

Production Plans for the County Will Be Signed March 24 Under AAA Guide

Randall county farmers will make their own statistics on 1944 crop acreages and livestock numbers when farm plan sheets are signed in the county office beginning Friday, March 24 and continuing each day until the job is done. The work will be in charge of the AAA committeemen who will assist each farm operator with his estimates.

A plan sheet will be executed for each farm showing the payment allowance for 1944. This payment allowance will be the amount that may be earned on each farm by carrying out the soil and moisture conservation practices which are selected by the operator.

The 1944 agricultural conservation program does not provide for any crop or acreage control payments.

The plan sheet for each farm is an advance estimate, made by the operator, of acreage and livestock for the year. The estimates made by farm operators in Randall county last year proved to be very accurate in total with the exception of the figures for cattle which were proven to be too low.

The execution of the plan sheet this year will be much easier for the farm operators, because of the reduction in the number of forms used and the number of estimates to be made. The man power survey will not be made in connection with the plan sheet.

The County AAA Committee urges every farm operator to watch for his notice of the dates set for his community and cooperate with his committeeman by coming in to the office on the date requested.

Bond Sales Away Under Quota With End First Period

Sale of War Bonds for March lags as the half way mark of the month was reached yesterday.

County Chairman R. H. Wright states that the March quota is $25,000. Sales amounted to only $4,293.75.

However, there was a decided letup in interest in bonds when the 4th War Loan Drive came to a close and Randall county went over the top by such a wide margin.

Those who have been buying bonds regularly in the past are requested that they should buy their regular monthly quota for March.

G. G. Foster Family Holds Reunion

Last week the G. G. Fosters had all their children home for the week end. In a few days members of the family will begin to leave for the armed service. This made the reunion more than a mere pleasure.

Mr. and Mrs. G. D. Foster and Maedell of Colorado City, Texas, Mr. and Mrs. Jack Foster, Gordon, Dean, Mary Alice, and Dick of Happy, Mr. and Mrs. J. O. Parker, Jerry and Foster of Happy, Mr. and Mrs. R. W. Foster and Chandler of Amarillo, and Mr. and Mrs. Hosea Foster of Canyon were all present.

In addition to the family, the Fosters had as their guests, Mr. and Mrs. J. B. Holt and daughter from the Cactus Plant, Dumas, who came to the reunion to meet Mr. Holt's sister, Mrs. G. D. Foster.

Ensign Mary Clark Visits Aunt Here

Ensign Mary Clark, WAVE, neice of Mrs. Cecil Briggs, stationed in Washington, D. C. where she is going to school studying Aerial Navigation, has been visiting her aunt and Mrs. George C. Harris.

Ensign Clark was joined here Sunday by her sister, Miss Betty Clark, a teacher of Gallup, N. M., and another aunt, Mrs. W. A. Clark, Mr. Clark, Barry, Bill and Charlotte of Happy.

STORK SPECIAL

Roy R. Cofer and Miss Betty Virginia Routzong, March 9.

Mrs. Earl Brooks has returned from York, Neb., where she has been with her husband. She is visiting with her sister-in-law, Mrs. Lloyd McAtee and family.

Mrs. Robert Houston, wife of the chief mechanic for Canyon Aviation Service, has come from Kansas City, Mo., to make a home with her husband in Canyon.

April Call For Men Will About Clean the Rolls

Randall county has been called upon to send 54 more men to Lubbock to take their physical examinations on April 22. They will leave on the afternoon of the 22nd. This call comes on top of the 59 called to leave Sunday afternoon.

The local board of Selective Service has reclassified all available men into 1-A, but it is doubtful if there will be a sufficient number available to fill the April call.

When the rolls are cleared, local boards will send only such men as are available. Under present rulings it is doubtful if men will be given deferments for more than one period of time. A large number of deferments which have been granted in the past will expire during the coming spring months, making these men available for military service.

On April 17th, 11 men will leave for Fort Sill to enter training and 7 men will report to the navy at Lubbock to enter the service.

P. T. A. Is Ending Successful Year According Report

Under the direction of the officers for the year, the Canyon Elementary Parent Teacher Association is drawing to the end of a successful year of service to the school.

Officers for the year were: Study course chairman, Mrs. R. C. Hillier; treasurer, Mrs. Robert W. Jones; president, Mrs. Ray McReynolds; secretary, Mrs. A. K. Goodman; vice-president, Mrs. R. A. Neblett; membershop chairman Mrs. D. M. Foster; finance and budget chairman, Mrs. Burney Slack; hospitality chairman, Mrs. Ross Craig; publicity chairman, Mrs. W. W. Nicklaus; publication chairman, Mrs. S. S. Howell.

Programs for the year have been interesting and beneficial, drawing large crowds to each meeting. The main theme of study has been "These Freedoms." There has been an outstanding speaker at each meeting to discuss a phase of this study. The topics and speakers were: "Freedom of Normal Home Life," Mrs. Robert W. Jones; "Freedom In Learning," Mr. W. G. Sanderson, Miss Anna I. Hibbets, Mrs. A. K. Goodman; "Freedom of Worship," Mrs. D. W. Jones; "Freedom From Want," Miss Ima Barlow, Miss Helen White Moore, Miss Jean Moore; "Freedom Through Citizenship," Dr. S. H. Condron, J. B. Speer; "Freedom From Fear," Miss Mary Moss Richardson.

In the April meeting Miss Rhita Jean Sullivan is to discuss "Freedom Through Health."

The outstanding money-making event of the year was the Hallowe'en Carnival which netted $519.50 the most it has ever netted in the history of the school. From this fund the P. T. A. was able to give a gift of $200 to the Elementary School and $200 to the High School.

In addition to the regular meetings, there has been a P. T. A. study group which has met each month to study the problems of the modern child.

Gasoline A Cards To Be Cut to 2 Gallons March 22

Gasoline coupons on A Books will be cut in value from three to two gallons starting March 22, when No. 11 coupons become effective.

Holders of B books will not be able to secure additional gasoline to make up for the lowered value on A coupons, according to orders issued Wednesday.

Mr. and Mrs. J. S. Haydon and Miss Crystelle of Plainview and Cpl. Raymond Gibson spent Sunday with the Haydon's daughter and sister, Mrs. W. W. Thompson and family. Cpl. Gibson has spent 19 months in the South Pacific and has been some of that time with the Haydon's son who is now in a hospital there.

Grady Holland was here Thursday afternoon from his home in California visiting a few hours with friends. He was formerly a druggist here, but moved from Mineral Wells to California.

Pfc. Cecil McCoy Killed in Action

Local Boy Reported As Missing, Now Affirmed Dead in the Pacific

According to a telegram received Wednesday, Pfc. Cecil R. McCoy, 22, was killed in action in the Pacific. The telegram came to his mother, Mrs. R. B. McCoy.

Mrs. McCoy received notice the middle of January that her son was missing in action. No other word was received from the War Department until the telegram stating that he had been killed.

Mrs. McCoy has received no word from her son since a letter dated Nov. 11. He had returned to New Zealand for rest following action at the front. Mrs. McCoy had been advised by the Captain of his company that Cecil would be eligible for return to the United States after his services at the front.

No other information has been received to indicate when he returned to the front after his rest in New Zealand.

Mrs. McCoy has twin sons in the service, Ray and Roy McCoy. Both are in the Marine Corps. Ray has been in the Pacific for some time; Roy is in Dallas. A daughter, Frances, lives with the mother.

Lt. Roland Black Reports After Being Wounded

Mrs. Alice Black has received word from her son, Lt. Roland Black, that he has recovered and was back with his company.

The War Department had notified Mrs. Black that Lt. Black was recovering in a satisfactory manner from the wounds which he received in Italy.

The letter from Roland is later word and was a great relief to the family to hear that he was able to leave the hospital where he has been for treatment.

Lt. Black left Canyon with Co. F and won his commission after the National Guard went to Camp Bowie.

Twin Daughters are Born; One Dies

Twin girls were born to Lieut. and Mrs. Artist H. Prichard yesterday morning. One of the infants died. Mrs. Prichard and the other baby are doing well. Lieut. and Mrs. Prichard are located at Kingman, Arizona, where he is taking advanced training.

FINGER CUT OFF

Robert Ray Hardaway had the end of a finger cut off while working on a truck. He was scheduled to report to the navy Saturday but will be held over until the finger heals.

Mrs. Jean Samples Aldridge received word this week that her husband, S/Sgt. Paul H. Aldridge, had just been raised in rank from Sergeant to Staff Sergeant at Chickapee Falls, Mass.

George I. Taylor had a tonsillectomy today in the Veteran's Hospital in Amarillo where he has been for two weeks.

Prisoner of War Writes Parents From Germany

Mr. and Mrs. Tom Lair have had five letters from their son, Lieut. Lair, who is a prisoner in Germany. His last letter written Dec. 29, reads:

"Dear Folks: Well Xmas is all over with. I hope I will be home for next Xmas. We have built us a theater here in the camp. We had some good music there Xmas, played on a phonograph with a loud speaker. We had some popular records sent over by the Red Cross and some classical records given by the Germans.

We are going to have some plays before long. I think we have some pretty good acting talent in Camp. We also have some pretty good musicians who are organizing a band. I hope everybody had a big Xmas at home.

Did the boys get home? I certainly missed being there. Are you writing me every day? I am allowed only 3 letters a month. Love. Tom."

The Lairs receive from the government labels that permit them to send packages to Lieut. Lair. Yellow labels must be sent to any tobacco company which will send 6 cartons every 30 days to the address on the label.

White labels permit the Lairs to send eleven pounds of personal gifts every 60 days. With these labels come definite instructions. One is: "The German Government has threatened to confiscate all prisoner of war parcels containing stickers bearing such slogans as "For Victory Buy War Bonds" or other slogans expressing assurance of victory."

In other letters Lieut. Lair has written that although several Texas boys are in his camp, none are from this immediate vicinity. He states further that he is "very comfortably located and between the Red Cross and the Germans we are well fed.

Car Plates May be Placed on Car During This Month

Many car owners of Randall county have secured their 1944 license plates. However, the majority of auto owners have so far failed to buy their plates at the office of Tax Collector M. E. Cantrell.

All car owners should secure their license plates as quickly as possible in order to avoid the final rush of buying.

All cars must be provided with the 1944 plates on or before April 1. New plates may be attached to the vehicles as soon as purchased.

Cutting from Letter From Nurse

A letter from Mrs. Bull to a friend in Canyon brought this letter from a nurse who came back on the Grisholm and was from Manila, P. I.:

"Dear Mrs. Bull: I am sorry that I did not know your son; and since we nurses were interned in a different camp from the soldiers and officers, we haven't seen any of them since the fall of Corregidor.

My fiance is in Camp No. 1 and I know (I can't say how) that he is all right and that he and the men he is with are getting along much better now than they were just after their capture. Their morale is high and they are making the best of their conditions. I also know that the men who were captured on Corregidor fared better than those on Bataan. If you have received cards from your son, you can rest assured that he is getting along all right, and that his main worry is that you are worried about him. Sincerely, Dorothy Davis."

Mrs. Bull writes: "If this letter is published, it may help some one else, and all our friends will be reassured."

Mr. and Mrs. L. D. Bull are now living in California, but lived in Canyon when their son volunteered for service.

Mr. and Mrs. Albert Minturn of Salem, Oregon, are visiting at the home of Mrs. Minturn's sister, Miss Pauline Brigham.

Mrs. Charles Kiker and Mrs. Madeline Dutton have bought a studio at Portales, taking charge Friday.

Miss Dorothy Jennings, who teaches in Trinidad, Colo., spent the week end in the parental Cass Jennings home.

John Guthrie and family have moved to Bovina where John will be employed by the Santa Fe Railroad.

Mrs. Leivena Glazener left for Bryan, Sunday evening to be gone for three weeks.

Red Cross Near Half of Quota

Need for Helping the Men and Families Met Through the Red Cross

Since Pearl Harbor Randall County has done its full share in the 17,050,658 hours of volunteer services by Texans to the American Red Cross. In Randall County this meant that dozens of women and some men have spent many hours weekly in sewing, knitting, writing letters and home services for the men or families of men in the armed services.

Today Randall County has about 725 men scattered all over the world in every branch of service. The Red Cross is their friend, whether they are in battle or in prison camp or hospital. Through it they can get information about their homefolks, and their homefolks, in emergency, can get information about the boys. Only through the Red Cross can emergency furloughs be arranged.

In Texas last year the Red Cross served the home front in disasters and epidemics, including the infantile paralysis epidemic, and since December 1941 it has given home nursing courses to 46,000 women who are now prepared to take care of family and community needs since nurses and doctors are scarce and overworked.

Randall County's 1944 War Fund drive is to make possible the continuance of these and other helps to men and families as long as the war lasts. Every person who gives is helping the greatest mother in the world.

So far, contributions have come from people of every age and walk of life. Several children have paid as much as a dollar from their small monthly allowances; a little group of Aviation Students gave $14.55 when a chance was given them.

Yesterday Randall County had raised $3,075.43, or approximately one half of its quota, according to County War Fund chairman, T. V. Reeves, who mentioned that half the time is now gone, adding that probably the money already raised was much easier to get than the balance of the quota will be.

Citizens of Canyon are urged to make their contributions at the bank or the City Hall, or at the office of D. A. Shirley at the College, as a house to house canvas will be almost out of the question this year. All are asked to "give a Texan's share." The National slogan is "Give more in '44."

P. T. A Executives Meet Today With Mrs. D. M. Foster

At the Executive meeting on March 9, it was voted to hold an all day institute on "Home and Family Life Education."

This Institute will be held today at the home of Mrs. D. M. Foster with a covered dish luncheon. Subjects from the "Texas Parent Teacher" and "National Parent Teacher" magazines will be used at the morning and afternoon sessions.

Lloyd Childers, Electrician mate 3/C, who has been in a hospital in Seattle, Washington, since Nov. 20, arrived Monday to spend a 21-day furlough with his wife, son, other relatives and friends.

Mr. and Mrs. A. C. Carthel of Floydada visited in the home of Mrs. John Noble Thursday night.

Garden Clinic to Be Held for Two Days Next Week

On Thursday and Friday, March 23 and 24, a garden clinic will be conducted in the Thompson Club Room.

Dr. W. W. Yocum of the Department of Horticulture, Texas Technological College, Lubbock, will be in charge of the clinic.

There will be five program topics, each lecture or demonstration to be followed by a question and answer period.

All who are interested in any phase of gardening are invited to attend the two days program as follows:

Thursday, 10 to 12, "Fundamentals of Gardening."

Thursday 3 to 5, "Soils and Fertilizers."

Thursday 8 p. m., "Insecticides."

Friday 10 to 12, "Irrigation and Soils."

Friday, 3 to 5, "General Garden Problems."

Bring your garden ills to the Clinic. Remember that a better diagnosis is obtained when one has a report from each division. Plan to attend every section.

Men Leave For Army Training Saturday Morn

Fifteen men will report to the army Saturday to begin their training. All have passed their physical examinations and will leave on the morning bus for Fort Sill where they will be inducted.

John Derwin Palmer was transferred to Alexander, La.

Men leaving from Canyon are: Ralph Lesley Gilter, Alfred Earl Spencer, Roy Buie Kennedy, Presley Grundy Fowler, Herman Clyde Robertson, Charles Lloyd Buchanan, Robert Clay Taylor, Leslie E. Lisle,

Aloysius R. Friemel, Francis Rudolph Friemel, Eugene Simpson Bonds, Wesley Young Speight, Jack Hand, O. J. Roberts.

Render Property to Secure Homestead Exemption

Property owners of Randall county who have not rendered their property of 1944 taxes are urged to do so at once.

Tax Assessor M. E. Cantrell states that only those who render their property for taxes will be entitled to exemption on their homesteads.

When property is not rendered the Tax Assessor makes out rendition blanks for the property, but credit on homesteads are not allowed on such renditions.

Mrs. Vearl Iverson Has Special Training

Mrs. Vearl Iverson has returned from Minneapolis where she was sent from the Amarillo Air Field to take special training in the aircraft department. She has been a teacher at the Amarillo Field since it was opened.

Mrs. Iverson is the only woman who has ever been sent from the Amarillo Field to take special courses.

She says that she missed the winds of the Plains in Minnesota, and is glad to get back.

Mr. and Mrs. Eldon McCarter and family visited with Mrs. McCarter's parents, Mr. and Mrs. L. C. Harris, at Forrest, New Mexico, Sunday.

3 Branches of Government

When the founders of our country established a Constitutional form of government, they sought a system of checks and balances which would prevent usurpation of political power. The executive, legislative, and judicial branches were made independent of each other.

Our country has twice during the past decade witnessed the wisdom of the founding fathers. It has seen the legislative branch of government reject a bill urged by the executive branch to dominate the judicial branch, when the phrase, "nine old men," was coined to discredit the U. S. Supreme Court. It has now witnessed an attempt by the executive branch of government to discredit the legislative branch itself, by referring to its recent tax action as a measure to "relieve the greedy and impoverish the needy."

If the latest tax bill passed by the Congress is insufficient to meet the needs of the nation, the executive branch of government should go to Congress with an intelligently worked out, non-partisan plan for additional wartime taxes, instead of using language toward Congress intended to shake public confidence in that body.

Our citizens must never forget that their duly elected representatives in Congress are the greatest safeguard that stands between their personal liberties and the subjugation of their rights from whatever source. We may have our differences of opinion with congress, but we must not for an instant relax our vigilance in upholding that body as essential to American Constitutional government.

As the New Deal has failed in its attempt to overthrow both the judicial and legislative branches, so will other attempts fail as long as we maintain three branches of government.

The big wigs of the Republican party are soon to meet and select the candidate which will be nominated for President. They are afraid of their delegates. They plan a cut and dried affair, so that the man they name will be nominated on the first ballot. Herbert Hoover and his fellow isolationists are calling this meeting. Naturally only those friendly to Hoover will be nominated. The nominee will not be Willkie, if this group can help it. They are looking to Dewey, who is careful not to expose his ideas on national affairs. One thing is becoming more and more evident: even those of us who are disgruntled and disgusted with the New Deal party will have no place else to go in November if the big boys of the Republican party have their way in selecting a rank isolationist who would be agreeable to see this nation lead into another war in 25 years through the folly of unpreparedness.

What a fine thing it would be if all Americans had the sense of humor of Irvin S. Cobb and his predecessor, Will Rogers. To be able to laugh with your neighbors and friends, rather than laugh at them, is a great gift. Neither of these men wilfully hurt a fellow man just for the sake of hurting, or embarrassing him. But neither was afraid to fight when a fight was necessary. America is going through a terrible strain when a sense of humor is needed to keep people from going insane.

Must Be Free Enterprise

Governmental agencies urge American industry to speed plans for reconversion to peace-time output. It is warned that the end of hostilities will force the United States to make a choice between a capitalistic system of free enterprise and maximum production, a totalitarian regime dominated by centralized governmental planning for industry and individuals, or a system of managed economy in which cartels would fix prices and regulate production without government control. The latter two would destroy the freedom of the individual in this country.

Continuance of the capitalistic system will not rest alone upon the ability of industry to reconvert speedily to peace production. It will rest also upon the ability and willingness of public officials to effect speedy reconversion from the existing semi-dictatorial government of war to representative government of prewar days.

There are too many inferences spread today that wartime regulations will have to be continued for an indefinite period after the war—especially the price and rationing controls currently governing the distribution system. As long as restrictions on distribution are maintained, it is idle to talk of full production. Maixmum production cannot be attained until distribution is freed of wartime regulations that curb competition and restrict the operating efficiency of the men who must finally put the luxuries and necessities produced by industry into the hands of consumers —the nation's retail merchants.

If there is to be the prosperous peace desired by all, it must begin with the reconversion plans for government itself. The nation is waiting anxiously to see those plans.

We are told of many manufacturing plants which today could be putting essential consumer goods on the market without interfering with war work, but the government refuses to permit such a thing, and the bureaucrats prevail.

The bottom of the barrel is about hit. We refer to the manpower barrel in regard to Selective Service. By the end of April there will be very few men of military age who are not in an army camp, or have been deferred because of Selective Service regulations. Local boards are reviewing all deferments, and under orders direct from the President, deferments are being granted only in extreme cases. The armed services are demanding more fighting men. On the other hand these men must be fed and must be equipped. The scramble as between the armed service, farming and industry is becoming more and more acute. It is fortunate that Selective Service is being adminstered by civilians. If the armed services were running the draft for men, there would be none left to equip the vast army. If industry were in charge of the draft, it is possible that there would be more equipment than men to use it. On the other hand, farmers might hoard its manpower if this industry were alone in charge of the draft. Balancing these essential powers is the job which Selective Service is trying to do. But it is more and more evident that if the war continues into 1945 men between 18 and 26 will have to have a mighty strong case before they will be considered essential in any but the armed services.

Lieut. Governor John Lee Smith comes out with another blast against Governor Coke Stevenson for refusing to call a special session of the legislature on the soldier vote bill. Since Congress has been toying with this question since last fall; since any bill the legislature might pass would likely be unconstitutional; just why all this fuss? Political—yes, pure political, since the Lieutenant Governor is keeping in the limelight to run either for Attorney General or for Governor. He has cut out a long political life, and you will see and hear much more from him unless the fates of politics dump him, as it has so many other would-be big political shots.

Income tax payments for 1943 were due yesterday. Now all you have to do is figure out by April 15 what your income for 1944 will be and start making payments. Just how such a guessing contest may be intelligently carried on is a puzzle. Just how a business firm can look ahead during the coming 8 months and tell what his income will be is a puzzle. But we shall all have to make a guess, and if we guess too far wrong we shall pay a penalty for the wrong guess.

Faculty Goes To Amarillo

Many Canyon Teachers Are On Program Of Northwest Conference

St. Patrick's Day will be a busy one for members of the faculty of W. T. S. C., but not just because it is the occasion for the wearing of the green. On that day occurs the annual Northwest Texas Conference for Education. Members of the college and public school staffs are serving in many different places. Miss Novella Goodman, critic teacher in the Demonstration School, and Miss Elva Fronabarger, principal of the Canyon Elementary School, will discuss, "Education for Peace Throughout the Teaching of Literature," and "Teaching Remedial Reading in the Elementary Grades." They are members of the Elementary Language Arts Section.

Miss Agnes Charlton, acting head of the college Foreign Languages Department, is secretary of the Foreign Language Section, and Mr. Ardis Patman of the same department, appears on the program with a discussion of "Language and the Peace." Virginia Vaughan, M. A. '43, also is on the program.

The guidance section has as its chairman, Dr. A. K. Knott, Dean of the Lower Division.

Miss Linnie Babston, of the library staff, is chairman of the Library Section, and Mrs. Charles Harter, Demonstration School Librarian, is its vice-chairman. On this section program will be Miss Helen White Moore, who will discuss "The Role of Fiction in Education for Peace."

Miss Edna Graham of the mathematics department, is chairman of the mathematics section, and Miss Alma Hall, and Mrs. C. W. Foote are vice-chairman and secretary respectively. Mr. Cecil Briggs of the 350th Army Training Detachment, appears with "Looking Forward to the Influence of the War Program for Possible Changes of Content and Emphasis in High School Mathematics." The section will have special music with Mary Evelyn Foster, Mary Lee Abbott, and Winnie Fred Ramage appearing.

Director Roy G. Boger, of the Amarillo Center of W. T., will discuss "Juvenile Delinquency of the Parent Teacher Section Program in the Parent-Teachers section.

Miss Ruth Lowes of the Demonstration School faculty will be chairman of the Primary Section. Miss Mae Simmons, who has taught in the Demonstration School several summers, is vice-chairman

Mr. Milton Morris, principal of the Demonstration High School, and teacher of vocational agriculture, is chairman of that section.

Dr. A. M. Meyer is immediate past president of the Northwest Texas Conference, and he and Miss Alma Hall, a graduate of W. T., are members of the State Executive Committee of the Texas State Teachers' Association. Miss Darthula Walker of the geography department, is chairman of the Necrology Committee.

Department of Music Purchases New Equipment

Kettle drums, a Sousaphone, and musical folios were purchased recently by the Department of Music. The equipment, while not complete, represents part of a program to provide the band with new materials.

The band now consists of approximately 30 members, and has been very active during the past year. New members this semester include Merle Dickerson, Bobby Dowd, Nell Tilson, and Kenneth Glasgow.

Another assembly program sponsored by the band has been scheduled for the near future, although the exact date has not yet been announced.

It takes but a wink of an eye to get a man into a lifetime of trouble.

An elderly man stepped up to the desk in a library, and inquired, "Have you 'A Certain Rich Man'?"

The young lady at the desk replied, "if I had, I wouldn't be working here."

Chaplain to Speak At Baptist Church

Captain Howard B. Scholten, coordinating chaplain for College Training Detachments in the Southwestern states, will speak at the First Baptist Church in Canyon, Sunday morning, March 10th, at 11:00. The chaplain visits the local detachment about once each month and has arranged to speak at one of the local churches each time he is in Canyon on Sunday. Boys of the local detachment will be special guests at the church to hear the chaplain's message Sunday. Local friends will be glad to hear and meet him too.

Other services at the Baptist church Sunday will be Sunday School at 9:45 and Training Union at 7:15. The pastor will preach at 8:15 in the evening.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Two little girls were on their way home from Sunday school and were solemnly discussing the lesson.

"Do you believe there is a devil?" asked one.

"No," said the other promptly. "It's like Santa Claus, it's your father."

Keep Your Refrigerator Operating

Materials and man hours of work required to build a refrigerator are necessary for essential war production; therefore electric refrigerators are not being manufactured.

Here are a few reminders on keeping your refrigerator tip-top.

1. Cool food dishes to room temperature before putting them into the refrigerator.
2. Always remember to turn temperature control back after freezing ice cream, etc.
3. Turn control to warmest setting when leaving for a trip.
4. Defrost. Frost should never be more than 1-4 inch.
5. Open refrigerator door as few times as possible, keeping the door open only as long as necessary.
6. Keep no foods in your refrigerator unless they need refrigeration.
7. Freeze only the ice cubes you need.
8. Be careful to protect finish. Remove spilled milk, lemon, vinegar, etc. immediately.
9. Open and close door only by using handle.
10. Wash rubber seal with soap and water.
11. Keep condenser clean. First, turn refrigerator off. Then use a brush or vacuum cleaner attachment. Do this job once or twice a year.
12. Place your refrigerator in a convenient spot in the kitchen but away from registers, radiators, stoves and sun.
13. Be sure air can circulate around the refrigerator.
14. Lubricate according to directions given by instruction book or dealer if the mechanism is not sealed type.
15. Repair little nicks and scratches.

"It is said that clergymen and soldiers appeal most strongly to women."

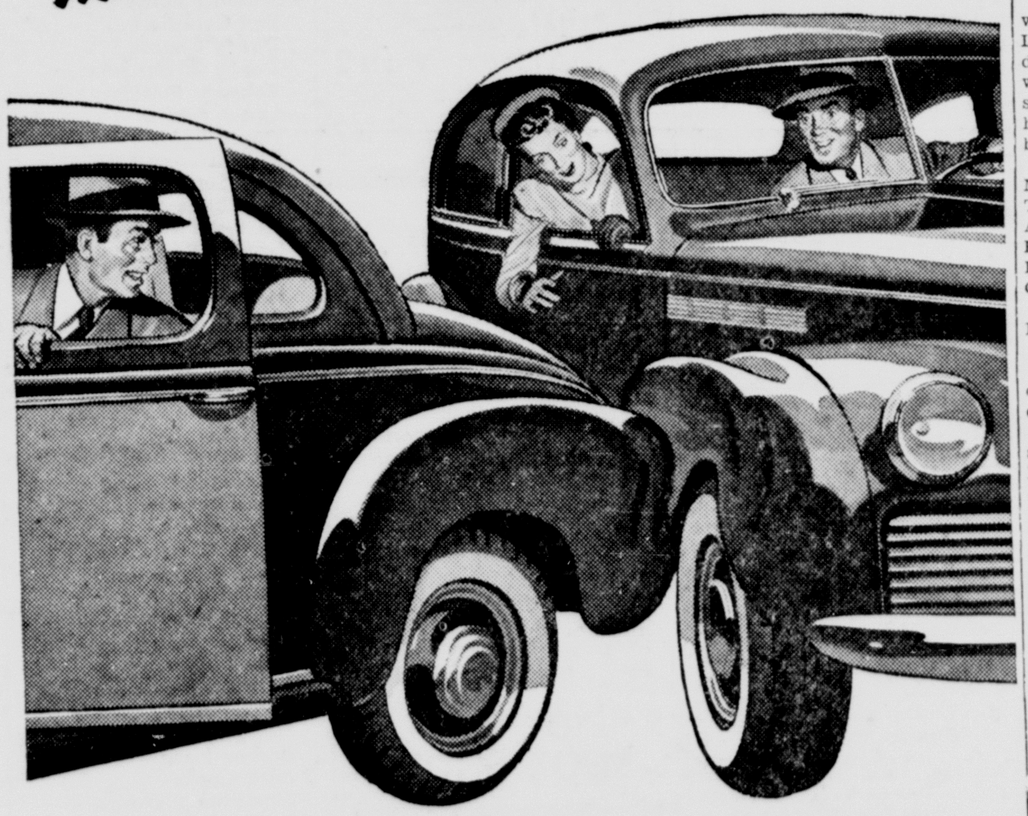
MAYBE...dent-proof Rubber Fenders tomorrow



BUT...OIL-PLATING YOUR ENGINE is like outdoing the future—today

What wouldn't America give to see an Auto Show again?...With startling innovations?...With irresistible gadgets? ...Surely with "cut-away" engines—innards exposed—mechanism moving, hushed and hypnotic, while you crowd around to see.

You just ought to see your own engine's innards, though...now! Every explosion in there, as in anyone's engine, must produce acids. They're corrosive; hungry for metals. But advanced research has created the corrosion fighter known as OIL-PLATING. And all the corrosion-resistance of an OIL-PLATED engine is yours as you change to Conoco Nth motor oil for Spring.

The action of the special synthetic in popular-priced Conoco Nth oil rivals "magnetism"...fastens OIL-PLATING to metal as if to stay...doesn't let all the OIL-PLATING promptly drain down to the crankcase...keeps up interference to acid. Even without long steady runs that would help a bit to heat acid away, you needn't worry. Even with restricted overcool operation that tends to make acid a "double trouble," you needn't worry. You'll have all the safety of protective OIL-PLATING all the while you use Conoco Nth. Change today for Spring, at Your Mileage Merchant's Conoco station. Continental Oil Company

UMBARGER H. D. CLUB MET WITH MRS. HOFFMAN

"Use the same talent in dressing up a room as you use in dressing yourself and you won't go far wrong," was a suggestion given by Lou Ella Patterson during the discussion of many interesting problems when the Umbarger H. D. Club met March 9, with Mrs. Frank Begert.

Plans were made to donate as much as could be found of use for the rummage sale and for the little April Fool surprise packages for the sick soldiers in the hospitals in Amarillo and Canyon.

Mrs. Begert read an article on "Know Your Responsibility"; Mrs. W. P. Jansen on "Know Your Wardrobe"; Mrs. L. Satterwhite on "Know Your Pattern."

The next meeting will be April 13 with Mrs. M. Hollenstein at 3 o'clock when Miss Patterson, the county demonstrator, will give a demonstration on sanitation. Mrs. Bergert will talk on "How to Prepare a Garden Plot"; Mrs. Vorwald, "How to Plant that Vegetable Garden"; Mrs. Beckman, "Growing Tomatoes, Beans and Carrots"; Mrs. Jansen, "Planting Rhubarb and Asparagus."

Refreshments of cake, ice cream and coffee were served by the hostess to visitors, Mrs. John Brandt, Mrs. Roscoe Richardson, Mrs. A. Lindemann, Miss Helen Hoffman, Mrs. L. D. Cleveland, and members, Mrs. Satterwhite, Mrs. C. Beckman, Mrs. Jansen, Mrs. Hollenstien, Mrs. Hoffman, and Miss Patterson, the new county agent.

LAS SENORAS NEUVAS MET WITH MRS. FOSTER

The Las Senoras Neuvas Club met with Mrs. Dewey Foster last Wednesday afternoon.

A salad course with coffee was served to Mrs. Hud Prichard, Mrs. M. J. Newman, Mrs. Ray McReynolds, Mrs. W. W. Nicklaus, Mrs. M. E. Cantrell, Mrs. R. P. Jarrett, Jr., Mrs. Gordon Yyons, Mrs. J. Madison Daugherty.

Mrs. Prichard won high score; Mrs. McReynolds, low.

ROSE WALKER CIRCLE MET WITH MRS. KEY

The Rose Walker Circle of the Baptist Church met with Mrs. J. D. Key Tuesday afternoon. "Sweet Hour of Prayer" was sung for the opening song. Mrs. J. T. Burnett led the prayer which followed.

The scripture reading from the 10th chapter of St. John was followed by prayer by Mrs. McCrerey. After the roll call, which was answered by Bible verses, the regular business session was held.

Mrs. Reid called for those who had special articles of interest from the "Baptist Standard." Several responded. A collection was taken for Wayland College, the new interest of the Circle.

The book "Baptist Missions Among the American Indians" was given out for the members to read.

"Stewardship in the Life of Women" has been read and will be reviewed next Tuesday afternoon at the church with other circles.

The Circle was 100% in giving to missions, following the week of prayer in March.

Tea, sandwiches and cake were served by the hostess to two visitors, Mrs. Horn and Mrs. Oscar Smith, and to the following members: Mrs. R. E. Gill, Mrs. T. T. Fain, Mrs. I. M. Steen, Mrs. J. T. Burnett, Mrs. Geo. Combs, Mrs. Grace McCrerey, Mrs. Baker, Mrs. Anderson, Mrs. E. B. Anthony, Mrs. Minnie Laughery, Mrs. C. O. Cooper, Mrs. Bullard, Mrs. J. C. Dowd, Mrs. Chas. H. Stratton, Mrs. Jessie Reid, and Mrs. J. T. Burnett.

Mrs. J. C. Dowd and Mrs. Geo. Combs received presents from their love sisters, honoring their recent birthdays.

Little Joy Oldham favored the group by telling a recent story she had learned.

The closing prayer was led by Mrs. Combs.

T. E. L. CLASS VOTES $10 TO BUILDING FUND

The members of the T. E. L. Class met Monday, March 13, with Mrs. Terry for their monthly business and social meeting. There were eleven members and one guest, Mrs. Fain, present. Mrs. Cole presided at the beginning of the meeting as Mrs. Henderson was late coming.

Two hymns were sung: "Let Others See Jesus in You" and "Help Somebody Today." Prayer was given by Mrs. Fain; devotional by Mrs. Stratton; duet, by Mrs. Harden and Mrs. Stratton.

The class voted to raise $10 for the building fund.

Mrs. Terry honored three members, Mrs. Long, Mrs. Stratton and Mrs. Dowd, whose birthdays come in March, by presenting a small happy birthday cake ot each. Later these cakes were cut and served with delicious ice cream to Mrs. John Wright, Mrs. G. C. Cole, Mrs. J. M. Breitling, Mrs. Henry Cone, Mrs. R. H. Long, Mrs. T. W. Henderson, Mrs. C. H. Stratton, Mrs. R. E. Gill, Mrs. G. B. Heath, Mrs. J. C. Dowd, Mrs. T. T. Fain and the hostess.

MARY ALICE CAMPFIELD HONORS EUGENE BONDS

Mary Alice Campfield honored Eugene Bonds, who leaves Friday for Fort Sill, with a farewell party at the home of her parents Saturday evening. Decorations carried out a red, white and blue color scheme.

After an enjoyable evening of "42," a telegram bringing best wishes and good luck was presented the honoree. Refreshments of pecan pie, fruit salad, red, white and blue ribbon sandwiches, potato chips and coffee were served to Juanita Anderson, Lewel Johnson, Douglas Walker, Mildred Bonds from Bovina, Mr. and Mrs. Edgar Robinson, Mr. and Mrs. H. E. Campfield, the honoree and hostess.

Mr. and Mrs. T. S. Stevenson visited with Mr. and Mrs. R. A. Hodges in Tulia Sunday.

"First Lady" Was Honored at Meet of College Dames

Nine years ago this month, Mrs. J. A. Hill, Miss M. Moss Richardson, and Miss Florence McMurtry founded an organization to provide social contact, and recreation to mothers who came to Canyon to be with their sons and daughters attending college. This society soon became known as the College Dames.

In honor of the birthday of the College Dames, and one of its original founders, Mrs. Hill, the program of the last meeting, March 10, was a pantomime on the life of Mrs. Hill. The play was supposedly staged in the home of Mrs. Dallas Milner, and the action progressed as she and Mrs. Tommie Montfort conversed over an old family photo album of Mrs. Hill.

The first pages of the book showed Mrs. Hill in her childhood as Ola Davis. Students of West Texas High School enacted skits that brought the pictures to life. Such skits as in the days of Negro mammies, community picnics, courtship days, high school declamation, and high school graduation, were made realistic by colorful costumes and clever dramatizations. Such incidents about Miss Davis as a teacher in the Temple City Schools and that she married three minutes before schedule were revealed.

The pantomime carried the life of Ola Davis from the crib to that of being First Lady of West Texas State College. Not only has Mrs. Hill been an inspiration to Dr. Hill, but she has also been his most sincere and most severe critic.

This First Lady of the Campus has many hobbies. She likes to paint, read, write (she is co-author of a book), play a guitar, and is now studying Spanish. Besides having three children of her own, Mrs. Hill is the campus mother of more than 70 students who have attended West Texas State and resided in her home.

As the meeting of the College Dames opened, Mrs. Milner, president, called the house to order and the minutes were read. The meeting was held in the home of Mrs. Tommie Montfort.

Special features on the program was a reading by Norma Jeanne Franklin, "Curfew Bell," and a solo by Bob Kilgore, "Noon and Night."

DR. BERNICE MOORE GUEST A. A. U. W. DINNER

Members and guests of the American Association of University Women met for the organization's annual dinner in the Home Economics Department dining room of the college Thursday evening.

The table was centered with a crystal bowl of white carnations, snapdragons, and stock. White tapers in crystal holders were placed at intervals along the table.

The three course menu consisted of grapefruit juice cocktail, chicken croquettes, parsley potatoes, peas in timbals, rolls, butter, jellied fruit salad, caramel nut ice cream, cookies, and coffee.

Following the dinner the group joined others in Room 211, and Dr. Bernice Moore, a representative of the Hogg Foundation, spoke on the subject "Prejudices and the Peace." She was introduced by Miss Margaret Barrett, president of the local A. A. U. W.

Dr. Moore defined a prejudice as a biased opinion based on insufficient fact. She enumerated prevailing social, economic, and political prejudices and pointed out the ill effect which they might have on the peace negotiations.

Dr. Moore's address was one of several which she gave during her two days' visit on the campus.

Seated at the dinner were Dr. Moore, guest of honor, Mrs. J. A. Hill, Mrs. C. W. Foote, Mrs. Hester Morgan, Mrs. T. V. Reeves, Mrs. Felix Neff, Mrs. Robert Jones, Mrs. J. R. Sharp, Mrs. Ed Harrell, Mrs. Frank R. Phillips, Mrs. Herschel Jennings, Mrs. W. F. Haggard, and Misses Albessa Stephenson, Beryl and Wilma Hixson, Maude Cuenod, Mattie Swayne, Linnie Babston, Margaret Barrett, Jean Moore, Birdie May Williams, Ada V. Clark, Elizabeth Cox, Novella Goodman, Florence McMurtry, Tennessee Malone, and Ruth Lowes.

RALPH H. D. CLUB MET WITH SCOTT

Ralph Home Demonstration Club met Wednesday, March 8, in the home of Mrs. Ira Scott. The meeting was opened by singing Happy Birthday to Jo Eddy Scott who was six years old that day.

In discussing the lines and colors of interior decoration, Miss Lou Ella Patterson, new County Home Demonstration Agent, stated that we reflect our personality and taste in our home.

Ice cream, cake, sandwiches and St. Patrick favors were served to Mrs. Alvis Sykes, Mrs. M. R. Miller of Happy, Mrs. S. R. Downey of Plainview, Miss Patterson, and the following members: Mrs. H. G. Persons, Mrs. James Jennings, Mrs. Carl Heizer, Mrs. Lonnie Byars, Mrs. L. S. Johnston, Mrs. Simon Elliott, Mrs. Stacy Howell, Mrs. Tom Gooch and Mrs. Scott.

The next meeting will be March 22, in the home of Mrs. Stacy Howell. Members are requested to bring articles suitable for the Council Rummage Sale.

Mrs. Alvin McDonald is able to be back on the job again after an operation.

SUE HITE CLUB MET WITH TOMLINSON

The Sue Hite Club met Monday afternoon, March 13, in the home of Mrs. Floyd Tomlinson, 2501 5th Avenue. Mrs. Sam Appleton and Mrs. Herschel Jennings assisted Mrs. Tomlinson as hostesses.

The annual "Texas Day" program was given by Mrs. Herschel Jennings, who read a collection of verse from various Texas authors. Mrs. Virgil Henson presented the study program on the topic "Education Begins at Home." She stressed the point that there is hope for our youth tomorrow, and cited examples wherein the family may develop and maintain attitudes of sharing of responsibility, out of which grows happiness, understanding and a sense of security, without which both the family and national unity is disrupted.

During the business session, the club voted to buy copies of "History of the Texas Federation Women's Clubs" and to sponsor one troup of Girl Scouts in Canyon.

At the social hour, both table decorations and refreshments featured the St. Patrick's theme. Thirteen members were in attendance and Mrs. J. A. Hill, Mrs. Joe Hill, and Mrs. J. S. Humphreys were guests for the afternoon.

The next meeting will be March 27, and will be a service meeting in the Red Cross Room.

EDGETOWN HOME D. CLUB MET FRIDAY, MARCH 10

The Edgetown Home Demonstration Club met with Mrs. Pennie Cox Friday, March 10. Miss Lou Ella Patterson, the new Home Demonstration Agent, was present and gave a talk on interior decoration, illustrating her points with appropriate pictures.

Mrs. Phillips reported that the Council is to sponsor a Rummage Sale and urged members of the clubs to get articles to Miss Patterson's office by March 22.

Sandwiches, coffee and angel food cake were served to Mrs. E. B. Anthony, Mrs. J. M. Breitling, Mrs. Henry Cone, Mrs. G. R. Cox, Mrs. W. T. Davis, Mrs. T. T. Fain, Mrs. L. L. Gore, Mrs. W. L. Rice, Mrs. O. M. Solomon, Mrs. P. L. Walters, Mrs. W. I. Wester, Mrs. Frank R. Phillips, Mrs. J. H. Wright, Mrs. Charles Doebler, Miss Lou Ella Patterson and Miss Joy Oldham.

The next meeting will be March 24, in the home of Mrs. W. T. Davis with a program on textiles, clothing and grooming.

HELEN JO COX HONORS BOYS TO LEAVE FRIDAY

In honor of Eugene Bonds, Charles Head and Wallace Huff, who are leaving for the armed forces, a group of boys and girls met at Helen Jo Cox's home southeast of Canyon, Tuesday evening.

Forty-two, rummy and miscellaneous games were played during the course of the evening. The group was assigned different tasks; such as, preparing fudge, popping corn, and washing dishes.

Many present enjoyed scrap books and other articles placed at their disposal.

Those present besides the honorary guests and the hostess were: Mary Alice Campfield, Mollie Nann Ziegler, Peggy Head, J. Ray Hunter, John Gill, Katherine Davenport, John Lill, Blake Zachry, Claudine Foster, Bobby Dowd, Frankie Phillips, Leslie Gordon, Virginia Reid, Max Bosley, Billy Turner, Harley Hicks, Evelyn Black, Ruth Price, Lindsey Taylor and Manus Read Foster.

Helping the hostess were her mother and father, Mr. and Mrs. Joe Cox.

ACTS 2 WAYS TO RELIEVE MISERIES OF CHEST COLDS

Now get grand relief from colds' symptoms this home-proved double-action way that actually

WORKS 2 WAYS AT ONCE
PENETRATES to upper bronchial tubes with soothing medicinal vapors.
STIMULATES chest and back surfaces like a warming poultice.
KEEPS WORKING FOR HOURS

To get all the benefits of this combined PENETRATING-STIMULATING action, just rub throat, chest, and back with Vicks VapoRub at bedtime. Instantly VapoRub goes to work—2 ways at once as shown above—to relieve coughing spasms, ease muscular soreness or tightness, and invite restful, comforting sleep. Often by morning most of the misery is gone. Get relief from chest cold distress tonight with double-action, time-tested Vicks VapoRub.

The sight of a Model T chugging down the street of a little town the other day brought back memories of the days when that was the customary method of transportation for millions—and there came to mind a few of the countless jokes that were made up about Henry's product.

The one, for example, about the man who requested on his deathbed that his Ford be buried with him "because it never got in a hole that it couldn't get out of."

And then there were two negroes who were shooting craps and one said, "Ford dem dice." The other asked, "What do you mean—Ford dese dice?" The first one replied, "Shake, rattle and roll."

Then there was one about a man who wrote Mr. Ford a letter:

"Dear sir, I read in the newspapers that recently your factory made a car in the record time of exactly four minutes." The manufacturer replied that the news item was correct. The man wrote back, "I got that car!"

Folks joked and laughed—but they purchased Model T's by the millions.

Jottings: Editors haven't quit having birthdays—E. S. Shoaf of the Wood County Democrat recently passed his 51st milestone. His column, "Tween You and Me," is often quoted by other newspapers.

In Granbury, this observer saw the gray-head of Ashley Crockett as the grandson of David Crockett was busy—despite his more than 80 years—setting type by hand in the office of the Hood County Tablet.

Arthur Baird of San Antonio has a favorite saying, "Any fool can criticise, condemn and complain—and most fools do."

Headlee's service station in Denton has two negro attendants who have the same name: James W. Williams. To tell them apart, one is called "No. 1" and the other "No. 2."

Seeing oranges piled high in grocery store windows is a sight that brings to mind boyhood days when an orange in a stocking on Christmas morning was a real event. Nothing could more graphically show what improved marketing, improved transportation—in short, private enterprise has accomplished than this marvelous change in the span of forty years.

Admiralties and Marshalls Pincer Truk

District P. T. A. President Is Visitor

Mrs. D. L. C. Kinard, District Eight President, was a guest at the regular monthly meeting of the P. T. A., Thursday, March 9. Mrs. Ray McReynolds, local president, presented her to the group. She gave a short but impressive talk on the value of P. T. A. work and what it is doing.

The meeting opened with the group singing some of the state songs of the Texas Congress of Parents and Teachers. Then the High Choral Club, accompanied by their leader, Mrs. Glenn Dowlen, favored the group with a fifteen minute program of beautifully rendered songs.

During the short business session the local PTA officers were elected as delegates to attend the Parent Teacher District meeting to be held in Pampa, April 3.

The meeting ended with a tea given by the Executive Board of the P. T. A. Mrs. R. A. Neblett served at a lovely lace-covered table. The refreshments and the room decorations carried out the St. Patrick motif.

Mrs. Ray McReynolds, Mrs. J. B. Speer, Mrs. D. L. C. Kinard and Mrs. D. M. Foster were in the receiving line.

The high school teachers were special guests at this occasion.

Family Hears From David Sharman

A letter from Mrs. Pete Harter brings this news from David Sharman, a prisoner in Germany:

"Your ole boy is alive and uninjured. Would you please write the other families that we are all safe—. Shorty is with me and is getting along fine. It is snowing here now and I would be obliged to you if you would send me some clothes. You can find what you are allowed to send from any Red Cross office. Please don't take my capture to heart because it's been a great experience to me and I have not lost anything by it. Be happy and take what good things are tossed your way for I want to share them when I come home. We have one of our boys as a minister for church, Sundays.—Dave.

Shoes Only Giants Could Fill

(Editor's Note—This article is being reprinted from the Aberdeen Daily World, Aberdeen, Washington. This is an AP feature).

Canyon, Texas—Shoes worn by the "Tallest Team on Earth" now rest row on row in the gymnasium at West Texas State—and there's no one to fill them.

More than 1,000 army cadets have passed through an air corps program here and all needed athletic shoes, but none could wear the ones that trod the maples when the giants of the west were making basketball history.

The reason: those shoes range from size 12 to 16.

"Our plans for the future will depend on the progress of the war," says Coach Gus Miller. 'We do not have a single man on the campus now who either played with our varsity or freshman teams of last season."

Meaning: there'll be a lot of color missing in southwestern basketball.

The "Tallest Team on Earth" was the product of Al Baggett, now in foreign service. Miller took over when Al left and had a good team, but it's hardly likely there'll be any basketball of the competitive variety at West Texas State this winter.

The Buffaloes played all over the country, including Madison Square Garden. The only way to beat them was to score 50 points or more because the Buffaloes always got plenty of tallies.

Such cage greats as Price Brookfield, Charles Halbert and the Johnson boys—Charley and Clark—made West Texas State known where top basketball was played. Today Brookfield, the Johnsons, Jack Maddox, Halbert, Frank Stockman and others of the "Tallest Teams in the World" are in the service.

"They're all gone," says Miller sadly, "but we do have the traditions that will go a long way in getting us 'on the beam' in basketball after the war."

Postoffice Duties Have Increased in Past Few Years

Guy Harp talked at the Rotary Club luncheon Tuesday on the work of the postoffice. Many duties have been added to the duties of the office during the past few years. The department is not hoarding manpower as 30,000 men have joined the armed forces from this department.

Extra duties which have been added in recent years were given as follows:

Handling the application for the bonus of World War I.
Selling documentary stamps.
Setting up Social Security.
Unemployment census.
Selling War Bonds and Stamps.
Registration of aliens.
Selling motor vehicle stamps.

Post offices have not been allowed to add many men to their force. The local postoffic has the same number as 10 years ago.

One out of every 8 to 9 letters is free. Free letters are government business, not soldier letters.

In the local postoffice registrations have increased 110%; insurance 60%; sale of stamps 35%; and other services have increased in like proportion.

The postal department had a deficit of $41 million in 1940, but this has been reduced annually, and last year there was a surplus of $4 million dollars. One of the greatest source of income has been air mail.

Mr. Harp traced the growth of various functions of the postal department from their date of origin: free city delivery, starting in 1863; money orders, 1864; special delivery, 1885; rural free delivery, 1896; postal savings, 1911; parcel post, 1913.

The dead letter office was established in 1860. Thousands of letters are handled, and much money is recovered in this office. Mr. Harp warned citizens not to forget to put addresses on cards and letters. The local office receives hundreds of post cards with no addresses.

V-Mail is the latest development and all citizens are urged to use this service in writing to men in service overseas.

Postal rates will be increased March 26. The increase is a sales tax to help win the war.

McCullough, the heirs of Paul Hand, George I. Hand, William Jasper Hand, Maurice Hand, Thomas Hand, Sr., and L. L. Hand, and their heirs and the legal representatives of all of them, as Defendants.

The nature of said suit being substantially as follows, to-wit:

This is an action in trespass to try title and for damages. Amarillo National Bank, as plaintiff, alleges that on October 6, 1943, it was the owner and in possession of all of Section Number One Hundred Sixty-eight (168) in Block Number Nine (9), located by virtue of Certificate 1/118 issued to Beaty, Seale & Forwood, containing 656 acres of land, more or less, and that the defendants named herein, and each of them, on October 7, 1943, entered and dispossessed Amarillo National Bank and withhold possession from it, the reasonable value of which is $25.00 per month. Amarillo National Bank claims title under three, five, ten, and twenty-five year statutes of limitation and asks for judgment for title and possession of the premises, damages for rent, costs of suit, etc.

Issued this the 7th day of March, 1944.

Given under my hand and seal of said Court, at office in Canyon, Texas, this the 7th day of March A. D., 1944.

Juniors Outfight Uprising Eighth

Black Presents Miniature Basketballs to Cagemen

Cheers and shouts arose from the grade school gym last Friday as hoopsters representing the juniors defeated the freshmen syuadsmen 19 to 6 in the intramural basketball finals.

High point man for the juniors was Ernest Frank, forward, with a total of six points, although he fouled off in the second half. Next in line was Tommy Thompson, center, with four points. For the freshmen, James Meroney, center, basketed two goals for four points. Charles Wright and Billy Abbot, guards, scored one point each to bring the team's total to six. Coaches Don Standley for the juniors and Charles Taylor for the freshmen met with their teams for practice each day last week in addition to the series of games played before the final battle.

W. G. Sanderson, referee of most of the other games, called Friday's game.

Miniature silver basketballs were presented to the all-tournament team by the Press Club, sponsors of the final game, represented by Evelyn Black, assistant editor of the Eagle's Tale. Coaches of each team selected the man most valuable to his team for this honor. They were: Raymond Aardal, senior; John Gill, junior; Kenneth Vaughan, sophomore; Charles Wright, freshman; Easton Wall, eighth grade; and Richard Walters, seventh grade.

Because of war conditions, the trophy which was to be presented to the winning team did not arrive in time for the final game, but will be presented later in assembly.

WORLD OF TOMORROW

Win the war! Newspapers, radio, movies, all are stressing the winning of the war. But what about the peace? We must also be planning for a lasting peace. How shall we do this?

First, we must get rid of all the un-Christian hate for our enemies which we hold in our hearts. A peaceful world will call for cooperation, and we cannot cooperate with the Japanese and Germans if we hate them.

Second, we must educate ourselves in a Christian and missionary way, for we will be unable to teach the un-Christian peoples of the world unless we ourselves know what we are talking about.

Finally, we must build a world of peace by educating the people of the world, including and especially those in Germany and Japan, gradually winning them over to us. It may seem hard to love our enemies as ourselves, but it is plain that we will never have a peaceful world unless we "do unto others as we would have them do unto us."

The Indian Chief Uncas was the last of the Mohicans.

Farmers Sponsor FFA-FHT Party

For the first time this year, the FFA and FHT groups held a joint social last Saturday night, March 11, in the high school gymnasium under the supervision of Mrs. Ewell Fowler and W. G. Sanderson, sponsors of the two groups.

Hosts for the evening were James Lair, Richmond Hales, and Billy Thurmon, who planned and directed the entertainment.

Table games held the spotlight as the group of over fifty students played "42," dominoes rummy, and slap. "Two deep," "flying dutchman," and "electricity" were the following activities.

Refreshments of cookies and candy were served to the group by Mrs. Fowler and Mrs. Sanderson.

To close the evening, most of the students attended the theatre.

Council Welcomes District Officials

Honoring Mrs. D. L. C. Kinard of Memphis, Texas, who is president of the eighth district of the P. T. A., the executive council of the local P. T. A. unit entertained those present with a tea March 3. Mrs. Kinard was in Canyon visiting her sister, Mrs. D. M. Foster.

With St. Patrick's day the major theme, decorations were green and white consisting of large green shamrocks and white flowers. From a lace-covered table, Mrs. R. A. Neblett poured coffee. Other refreshments of cookies, sandwiches, and salted nuts were served to P. T. A. members, high school teachers who are not regular members, and the guests of honor.

In the receiving line were Mrs. Kinard, guest of honor, Mrs. Ray McReynolds, local president, Mrs. D. M. Foster and Mrs. J. B. Speer, eighth district vice-president.

Mrs. Glenn Dowlen, music teacher, played the piano during the entertainment. Preceding the tea, the high school chorus entertained the P. T. A. with chosen selections and led the group in several songs.

UPHOLD THAT TRADITION

Students of Canyon Public Schools! Do you realize that last week only about 7% of the school's goal of $75,000 in War Bonds had been purchased?

Twelve weeks remain in which we Canyon Public School students must buy $65,668.25 in War Bonds. This means that $5,472.35 in bonds must be purchased each week until June 2, with an average of $109.44 per student for the rest of the year, and $9.12 per person PER WEEK.

Since some students are not able to buy their full share of this amount, it is apparent that every possible effort must be made by everyone in order to reach our goal.

Students, are we going to let down the old CHS tradition of doing what we set out to do? Next Tuesday, bring your money and BUY WAR BONDS!

If the fellow who thinks he "knows it all" really knew it all, he'd know he didn't know it all.

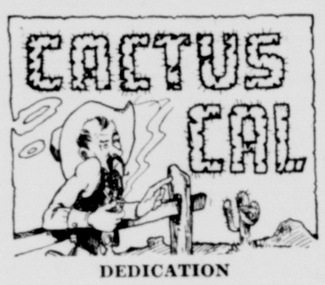
Speer Attends Education Meet



DEDICATION

To the martyred and miscellaneous morons and ma'ams who have suffered in one way or another through carelessness or virtue, this mess is hereby dedicated.

Charles Schafer, who has recently shown a remarkable talent for basketball, has had a terrible time escaping from the huge covey of girls who have been pursuing him ever since basketball intramurals.

Whether she knew it or not, Esther Byrd just nearly got run into by some reckless individual (a teacher) when she backed her car off the Post Office lawn Friday afternoon.

Margaret (Kate) Lair couldn't even imagine why everybody started laughing when she bleakly stated that a man became interested in the railroads because he thought they were going places.

Did Mrs. Kenneth Parmalee's face turn red when Billy Jane Bonifield caught her saying "But that don't sound right!" Mrs. Parmalee hotly denies all accusations.

James Rigsby looked pretty confused when he obtained a permit from one teacher to go to study hall, and arrived at his destination five minutes before he started.

Superintendent J. B. Speer of Canyon High School attended the "Wartime Conference on Education" at Kansas City, Missouri, March 8-10. "The People's Schools in War and Peace" was the theme of the meeting. Delegates to this meeting were members of the American Association of School Administrators, and subjects discussed in the general sessions included: "Free Schools for a Free People," "The People's Schools: A National View," "The People's School:Today and Tomorrow," and "What's Right With the Schools in 1944." School superintendents from several states attended this meeting.

Some of the main attractions were choruses from different schools in the city composed of as many as 2,000 members in one chorus.

Texas was well-represented at this meet. About 300 men out of the 2,000 present were from the Lone that Mr. Speer attended, there were that Mr. Spear attended, there were about 150 men from this state.

"The idea that impressed me more than any other expressed at this meeting was that the strongest aid the American child has in this time of war is the public school," Mr. Speer said.

GRADE NOTES

Mrs. Robert Orton's first grade had a birthday party in honor of Willie Hartman last Friday afternoon. Mrs. Hartman served the group soda pop and cookies.

Fourth grade students in Mrs. Cousins' class presented a play pertaining to English entitled "The Good English Fairy" which illustrates sentence structure. Dorothy McReynolds played the title role with a supporting cast of Ted Nichlaus, Richard Sanders, Ivana Richardson, Charles Donnell, Billy Jones, Teddy Howell, Shirley Leonard, Jane Schramm, Harold Dean Johnston, Harold Hill Slack, Juanita Flores, Jimily Jennings, James Cundiff, Katherine Shellnutt, Alice Gill, Archie Davis, Truman Laughery, and Lynn Blewett.

New students in Miss Florence McMurray's class is Joyce Keller, and withdrawing is Dixie Whitman who is moving to Amarillo.

Friday afternoon sixth and seventh grade girls' volley ball teams played five games and the sixth came out with the greater number of victories.

Faculty and students offer their sincere sympathy to Frances Mc-Coy on the death of her brother who was killed in action.

At the tail end of a long drought, a farmer called at a bank to see if he could raise a loan on his farm.

"It might be arranged," said the banker. "I'll drive out with you and appraise it."

"You don't need to bother," said the farmer, noticing a huge cloud of dust rolling up the road. "Here it comes now."

Customer: "I'd like a dollar dinner, please."

Waiter: "Yes, sir. On white or rye, sir?"

Show Encourages FFA Calf Plans

In order that they might have a better understanding of their school studies, and apply the lessons of others for their own benefit, the Agriculture I and II classes attended the Fat Stock Show in Amarillo throughout last week.

Boys who, in spite of transportation difficulties, were permitted to take the trip, paid special attention to the calf exhibit which was in line with special schoolwork. According to their own interests, boys attended other outstanding attractions of the show.

"All the boys seemed to learn much from the display of calves which they could apply to their own herd raising and we are now making plans for a show of this type to be presented here in Canyon next year," said W. G. Sanderson, instructor of the classes and sponsor for the trip.

Players Introduce Volleyball Season

Next Monday at noon, the girls' intramural volleyball tournament will start with the seniors playing the seventh graders in the first game.

Miss Dorothy Strain, sponsor, picked the captains of the various teams, who in turn are acting in the capacity of coach. Captains chosen are: Helen Jo Cox, senior; Lorene Seales, junior; Doris Ruth Meadows, sophomore; Johnnie Marie Ford, freshman; Martha Jean Avent, eighth grade; and Dorothy Butler, seventh grade.

Girls who have been coming out for intramural volleyball have been practicing at noon for a week, and those who are coming out for the high school team practice every afternoon after school.

These teams are contemplating choosing names for each class group.

At the close of the final game of the tournament, the most valuable member of each team, chosen by the secret ballots of all the players, will be presented an award. Also, the winning team will be given a plaque or cup.

Students Attend Annual PHSPA

School Faculties Promote Educational Conference

Meeting in Amarillo, March 17, Press Clubs from all over the Panhandle will attend the annual gathering of the Panhandle High School Press Association.

Many students and representatives of various school papers will be present to hear Wes Izzard, best known news commentator of Northwest Texas, speak at one of the meetings. Former Canyon resident Lt. Olin E. Hinkle hopes to be able to attend this Conference.

To begin the morning session, there will be a business meeting at which the new officers for the coming year will be elected. All P. H. S. P. A. members will have lunch together in the cafeteria of the Amarillo Senior High School.

Each paper will submit entries to the various contests. These will include the best news story, a feature story, a sports story, a sports column, a general column, an editorial, and best written advertisement. The Eagle's Tale has submitted numerous stories to partake in these contests, but due to the fact that the mails are crowded and uncertain, there will be no Scrap Books submitted from any school this year.

Representatives from each paper will be sent to the meeting and take part in the discussion of the problems which are confronting other high school journalists.

Editor of the Eagle's Tale, Mollie Nann Ziegler, has been invited to appear on the program and respond to the greeting brought by the Amarillo editor.

Theme of the Northwest Texas Conference for Education which will take place at the same time is "Education—The Essence of Peace." All general session, sectional meetings, and House of Delegates of this conference will meet in the Senior High School and the Central Junior High School.

Teachers from twenty-seven counties will attend this conference.

Because of the annual meeting of the Northwest Texas Conference for Education to be held in Amarillo, Friday, March 17, school will be dismissed that day in order that the Canyon Public School faculty may attend.

Prominent educators from over the nation will be the principal speakers at the meeting.

Drink Reveals Exact Schafer Grammar

Both teacher and students slaved with correct grammar usage for forty-five minutes in the fifth period English IV class Monday. At the end of this time, silence prevailed over the room until the brilliant (?) English student, Charles Schafer, broke the silence by asking "Mrs. Parmalee, can I get a dring of water?"

Charles, what grammar! Confidentially, both teacher and pupil blushed.

The name "England" is derived from the word "Anglo-land."

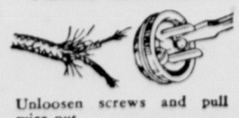
WARWICK'S

HOW TO FIX YOUR OWN PLUGS AND CORDS

THESE DAYS almost every housewife has to be her own repairman at some time. By making simple repairs on your lighting plugs and cords, you can save the time of lighting service men so urgently needed for vital war work.

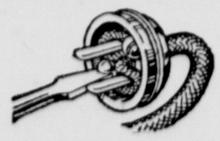
Of course, it's always preferable to get new cords and plugs and to use new wire. If you can't, you can do a good job of patching up the old by following these few simple suggestions.

REPAIR CORDS FRAYED NEAR PLUG



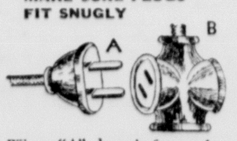
Unloosen screws and pull wire out.

Cut off frayed part of the wire.

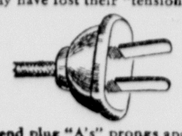


Reinsert wire in plug, and screw in place.

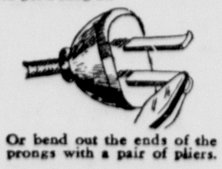
MAKE SURE PLUGS FIT SNUGLY



Where "A" doesn't fit snugly into "B," plug "B's" springs may have lost their "tension."



Bend plug "A's" prongs apart with your fingers. Just enough to get a snug fit.



Or bend out the ends of the prongs with a pair of pliers.

RATION REMINDERS

Meats, Fats: Brown stamps Y and Z in Book Three are good thru March 20. Red 10-point stamps A8, B8, D8, E8, and F8 in Book Four are good through May 20. Waste kitchen fats are redeemed at two ration points plus four cents a pound.

Processed Foods: Green stamps K,L, and M, are good thru March 20. Blue 10-point stamps A8, B8, D8, and E8 in Book Four are good thru May 20.

Gasoline: A-10 coupons are good through March 21.

WHO MUST FILE DECLARATIONS

The following persons must file a declaration of estimated income and victory tax for 1944 on or before April 15—single persons (or married persons who have separated) who expect to receive more than $2,700 of wages subject to withholding or more than $100 from all other sources, provided total income is expected to be $500 or more; married persons if they expect to receive more than $3,500 of wages subject to withholding or more than $100 income from all other sources, provided that their combined total income is expected to be $1,200 or more or his total separate income is expected to be more than $624. Blank forms are to be distributed by the Bureau of Internal Revenue late in March.

NEW FARM GASOLINE RULES

To aid in the drive against the Black Market in gasoline, the Office of Price Administration announced that after April 1 the five-gallon "R" coupon will be invalid at filling stations and may be used only by those who buy gasoline at bulk plants or who have it delivered into storage tanks on their premises. Farmers buying most of their gasoline at filling stations have until April 1 to exchange at local boards their "R" coupons for "E" coupons, which will be accepted at filling stations. After March 15, "R" and "E" coupons in all cases must be endorsed whether for gasoline delivered into storage tanks or picked up at filling stations. However, to ease the task of endorsing these coupons, the consumer buying a large quantity of gasoline may endorse a whole strip or block of coupons with a single signature and address written across the required number of coupons given as a unit for his gasoline purchase. For one gallon he continues to endorse one "E" coupon.

REDUCES CEILING ON FLOUR

The OPA has reduced the ceiling price on all enriched flour by five cents a hundred pounds. About 75 per cent of all family flour is enriched.

PRICES ON USED PHOTO EQUIPMENT

Reconditioned used photographic equipment, (still and movie cameras, projectors, lenses, range finders, etc.) must sell for no more than 75 per cent of the March, 1942, ceiling price of the new article, the OPA rules. A 30-day guarantee of free repairs and replacements of defective parts must accompany this equipment. Other used equipment sold "as is" must sell for no more than 33 -13 per cent of the ceiling price of the new article and need not be guaranteed.

AMMUNITION SAVED FOR FARMERS

While it is possible that by fall there will be sufficient rifle and shotgun ammunition for game shooting, the WPB said that for the time being none can be spared from supplies needed by farmers to protect crops and livestock. No ammunition will be made available for amusement purposes.

ADDRESSING LETTERS TO SEAMEN

Many letters to seamen are being improperly addressed, often in violation of national security rules, the War Shopping Administration reports. The address of the steamship company, a specific street address, or a place name of a foreign country should not be given. The proper form to be used it—Seaman's Name, Name of Ship, Care of Postmaster San Francisco, New York, or New Orleans (depending on coast from which address sailed.) The return address of the writer should appear in the upper left corner with the name of the Steamship Company in the lower left corner.

150,000 PLANES SINCE MARCH, 1941

Of the 150,000 planes produced by the United States since March, 1941, the U. S. has retained 122,000 for its own use and has shipped 28,000 to its Allies, the Foreign Economics Administration has announced. The Allies paid cash for almost 7,000 planes and received more than 21,000 under lend-lease. The British and Russians produce most of the planes they are using, but American Lend-Lease planes with British, Norwegian, Polish, Czech, and other allied pilots are playing a vital role against Germany.

PROMOTE UNRATIONED FOODS

To increase the consumption of unrationed foods, the Retail and Wholesale Food Distributing trade and the restaurant and hotel industry are conducting a campaign that will reach its peak during March and April. Foods to be specially emphasized are oranges, potatoes, eggs, breakfast cereals, enriched bread, soy flour and grits, macaroni, spaghetti, egg noodles, crackers, orange and grapefruit marmalade, peanut butter, and coffee.

ROUND-UP

Total U. S. war casualties as announced March 9 by OWI were 162,282—including 37,853 dead, 57,228 wounded, 35,565 missing, and 31,636 prisoners of war.

WPB announces that—the ban on two trouser suits, trousers with pleats, vests with double-breasted suits, and other clothing production restrictions will not be eased. . . . Restriction on manufacture of such items as baby rattles and teething rings from nitro-cellulose plastics have been removed. Phonograph record manufacturers in the second quarter of this year may use one-fourth as much shellack as they used in 1941, due to increased supplies.

The Department of Agriculture announces a 1944 goal of 22 million victory gardens, two million more than last year. Achieving the goal would mean 10 million tons of fresh food or 25 per cent more production than in 1943.

Colonel Major—Speaker

Jack Major, the Kentucky Colonel, will appear on the lyceum program March 22.

Because of his reputation for making people laugh. Colonel Jack Major, was sent by the U. S. Army to the South Pacific to help the morale of the Yanks in the camps. There he saw many things that will be of interest to the folks back home, and in addition he brought back 600 feet of natural color movies that show what the Yanks are seeing today in the South Pacific.

As a boy, he caddied for Irvin S. Cobb, and from him he learned much about how to make people laugh. It was Mr. Cobb who later helped him with his magazine articles and aided him greatly in getting into the entertainment world.

Students will be admitted to this program on their activity tickets.

Highland News
